

STAGE 4 WATER CRISIS!!!

In accordance with Texas Commission on Environmental Quality and the Edwards Aquifer Authority our community will enter Stage 4 Drought Restrictions when the Edwards Aquifer reaches 630 feet above sea level. Once we enter stage 4 we will stay for the entire month no matter how much rain we receive.

The stage alerts take effect when the Edwards Aquifer reaches the following mean sea level:

Stage 1 - 660

Stage 2 - 650

Stage 3 - 640

Stage 4 - 630

Stage 4 requirements are as follows:

Watering with a handheld hose is allowed only between the hours of 8:00 PM till 10:00 AM once a week.

No sprinklers or soaker hoses are allowed. Odd numbered addresses are allowed to water on Mondays.

Even numbered addresses are allowed to water on Tuesdays. Filling of swimming pools is prohibited.

Charity car washes are prohibited. No recreational water use games (water slides) will be allowed.

Use of waterfalls or other aesthetic water features indoors or outdoors is prohibited.

ALL WATER WASTING IS PROHIBITED

VIOLATIONS ARE AS FOLLOWS:

1st. VIOLATION - Certified letter will be mailed to homeowner.

2nd. VIOLATION - Flow restrictors may be installed at the meter and a violation fee of \$ 50.00 will be added to monthly bill.

3rd. VIOLATION - Removal of the water meter for 72 hours and a violation fee of \$ 100.00 will be added to monthly bill.

IN ORDER TO ENCOURAGE WATER CONSERVATION AND TO OFFSET ADDED EXPENSES,
STAGE 4 WATER RESTRICTION EMERGENCY RATES WILL GO INTO EFFECT WHEN THE
AQUIFER REACHES MEAN SEA LEVEL OF 630 FEET.
